PRINCIPALS' DESK

Dear parents, students'

It gives me immense pleasure to welcome to all our new family members to Jonai Science College for the academic session of 2026-27. Education is a joint venture between institution and home. The foundation of a successful educational institution is the co-operation between the students, staff, parents and community.

I am very excited to announce that our staff is very committed, caring and professional in all that they do as teachers. It is the collective goal of the staff of Jonai Science College to work with you to create a rich learning environment for all students. We are looking forward to forging strong and lasting relationships with you. It is my hope that you will meet any challenges with determination and excitement and celebrate all that makes everyone special. As we work with our students to help them to learn about the world around them through the prescribed curriculum

Jonai Science College is the one of the prestigious college and having two streams Arts 'and Science. This college is a cynosure of all eyes in this region. We have taken up this lofty task with a sense of dedication. Today, the college claims to be a well-known center of higher education.

I appeal to the parents' if you have any queries or concerns, please feel free to contact the college authority. We believe that, it is your right to know how we take care about our students because student's success is a shared responsibility between the staff, students and parents.

I along with my colleagues invite you all to join our college and come on let's give our best and make this institution a modern temple of learning through our diligence, devotion and dedication.

Wishing you all the best.

Dr.Rajeswar Pegu, Principal, Jonai Science College.
